WORK EXPERIENCE 2003-Current

Litigation Consultant and Expert since 2003. Has been recommended and engaged in cases involving life and health insurance underwriting, claims practices and procedures, agent standards and practices, ERISA plans, life insurance, annuities, both fixed and variable, equity indexed annuities, disability income insurance, structured settlements, dental, group life and health insurance and cases involving securities sales. He has appeared in both federal and state courts as an expert.

Mr. Wimmer brings a vast reservoir of experience in the life and health insurance industry. In past years his duties included training agency and sales force personnel on all aspects of proper life underwriting procedures, agent and broker practices and claims procedures. He has also been highly involved in training agency sales forces in the proper conduct and role of the agent or broker in relation to the company and the client.

He has acted as the primary liaison between the field and the home office underwriting department. He has been involved at some level in the underwriting and issuing of thousands of individual life insurance, disability income and annuity policies. By education and the experience gleaned over a career spanning 34 years he is well qualified in agent and company standards and practices, underwriting, claims, and many other areas of the life and health insurance industry.

WORK EXPERIENCE 1987-2005

Since 1987, Mr. Wimmer has been actively involved in the structured settlement business. During this time, he has acted as President of a structured settlement firm, a broker, a settlement consultant and expert witness.

His work in this area included the negotiation and placement of structured settlement annuities and consultations with defendants, their insurers as well as plaintiffs and their attorneys as to the financial efficiency and appropriateness of structured settlements. He has also worked extensively with the Ad Litem community throughout Texas to establish court approved benefit packages for minor and incompetent claimants.

He has been retained to preserve or increase benefits through 468B Qualified Settlement Funds, Medical Set Aside Trusts, Medical Reversionary Trusts, Section 142 Trusts, Special Needs Trusts and Settlement Preservation Trusts.

In addition, he was as an expert witness in the area of structured settlements, the design and pricing of specific benefit packages, the tax ramifications of periodic payments plans as outlined in the Internal Revenue Code and the projection of future costs for education or health care

needs. He has also developed periodic payment plans for civil rights, sexual and age discrimination and employment cases.

WORK EXPERIENCE 1973-1987

Mr. Wimmer entered the life insurance business in 1973 following graduation from college. After leading the company for first year associates in the Sales and Sales Management Development Program, he quickly advanced through a series of management positions to become the youngest General Agent in the company upon his appointment in 1982. He was responsible for 22 offices located throughout west Texas and New Mexico.

Wimmer hired and trained producers in all aspects of the financial planning process including life and disability insurance, mutual funds, general investments, private placements, tax advantaged investments, group life and health insurance, estate planning, retirement planning and underwriting. In this capacity he was also responsible the company's overall presence in his territory, including staffing, training, technology, sales practices, claims, licensing, lease negotiations and underwriting.

His efforts resulted in his agency being awarded the Agency Development Award, the second highest management award in the company and earned the National Management Award from the General Agent's and Managers Association.
